

Women in Science Conference 2009

Survey Permission Form

Dear Parent or Guardian,

Your child will be attending the Women in Science Conference 2009 at Science Museum Oklahoma on February 3rd, 2009.

At the end of the day all of the attendees will be given an evaluation survey of the conference. This evaluation also includes questions about what the participants think about science careers. If you would like to review the survey it is available here http://www.okepscor.org/Events/WIS_Student_Evaluation.pdf for your review.

We hope to use the results to improve the conference next year as well help researchers who study girls interest in science to better understand what girls believe about science careers.

When the students turn in the evaluation form, they will receive a bag with the EPSCoR logo on it as a memento of participating on the conference.

If you do not want the child to participate in the survey for research purposes, indicate on the permission slip below. We will ask the teacher to give them a marked survey that we will remove. They will still receive the gift and will not be singled out.

Parent/Guardian Permission Form

By signing this form, you acknowledge that your child has permission to complete the survey about the Women in Science conference and their beliefs about science careers. If you do not wish for your child to complete the survey for research, we will give the student a marked survey that will not be used for research purposes.

(Print Student's Name) _____

It is okay for my student to complete the survey for research purposes.

It is NOT okay for student to complete the survey for research purposes.
