

Women in Science Conference 2009

Science Museum Oklahoma • 2100 NE 52nd Street • Oklahoma City, OK

February 3, 2009 • 9 a.m.– 2:15 p.m.

KEYNOTE SPEAKER

**Oklahoman
Shannon W. Lucid, Ph.D.
Astronaut
National Aeronautics and Space Administration (NASA)**

WHO'S INVITED: 6th-12th grade students & science/math teachers and counselors

During this half-day conference, students will learn about careers in science, technology, engineering & mathematics (STEM) fields, engage in hands-on science activities, and learn about ways to prepare for college. Teachers/counselors are invited to participate in a special teachers' lounge breakout session to find out about summer research opportunities and resources for the classroom.

STUDENTS CAN...

- Ask scientists and engineers questions during interactive panel discussions.
- Engage in hands-on science activities.
- Visit with recruiters & educational outreach representatives from Oklahoma colleges and universities, grant programs, and non-profit organizations.
- Develop a plan for college and prepare for careers in science, technology, engineering & mathematics.
- Visit the museum for free after the conference.

COST: Absolutely FREE!!! No cost for participants; Although pre-registration is required. Breakfast, lunch, and entrance into the museum are included.

ONLINE APPLICATION: DEADLINE TO APPLY—JANUARY 15, 2009

SEATING IS LIMITED. APPLY ASAP!!!

Schools can apply to bring up to 12 students & two adults.
