

**Characterization and Modeling of Local Viscoelastic, Fracture and
Delamination Behavior of Nano-structured Polymeric Films and Coatings**

Funding agency: NASA Langley Research Center

Amount: \$245,000

Duration Time: 4/15/03 to 4/15 4/15/06

Hongbing Lu

Associate Professor

School of Mechanical and Aerospace Engineering

218 Engineering North

Oklahoma State University

Stillwater, OK74078
