5. Krutz, G.S. 2001. "Tactical Maneuvering on Omnibus Bills in Congress." *American Journal of Political Science* **45**: 220-233.

#### **(D) SYNERGISTIC ACTIVITIES**

- *Director of an Award-Winning Undergraduate Research Program*: direct a unique undergraduate research program, which connects top students in the social sciences with faculty studying representative democracy and public policy. Program has led to research paper collaborations and publications with students.
- *Faculty Member on CAP-LTER Research Team at Arizona State University, 2000-02*: along with a GRA, carried out a sub-project ("Dynamic Political Institutions and Water Policy in Central Arizona-Phoenix") of the larger long-term ecological research project of the then-Center for Environmental Studies at ASU (now the School of Sustainability).
- *Contributor to Study of Growth Patterns in Phoenix, Arizona State University and Community Partners*: As part of a research team of 15+ coordinated by the Morrison Institute for Public Policy, I studied the effects of Federal funding flows on growth patterns in Phoenix, and executed a survey of local government stakeholders on their perceptions on growth, natural resources, and growth-related policies.
- *Peer Review*: National Science Foundation, Cambridge University Press, The Ohio State University Press, University Press of Kentucky, W.W. Norton and Company, McGraw-Hill Publishers, Chatham House Publishers, Thinkwell Publishers, Congressional Quarterly Press, Sage Publishers, Inc., Taylor and Francis Group, *American Political Science Review*, *American Journal of Political Science*, *Journal of Politics*, *Political Research Quarterly*, *Public Administration Review*, *Legislative Studies Quarterly*, *Governance*, *American Politics Research*, *Presidential Studies Quarterly*, *Congress and the Presidency*, *Policy Studies Journal*, *Foreign Policy Analysis*, *The Political Chronicle*, *American Review of Politics*
