

AGENDA

- 9:00 am** **Welcome and Introductions of New EPSCoR Hires** – Jim Wicksted
- 9:15 am** **Speed Updating** – Duncan Wilson, Facilitator (and Time Keeper)
All EPSCoR Senior Personnel (25 people) will have 2 minutes and a maximum of 2 slides (1 research slide, 1 list of team members/collaborators) to update everyone on their progress. New faculty (Jad, Max, Jennifer) will get 3 slides and 4 minutes!
Email your slides to Becky McIntire bmcintire@okepscor.org by 8 a.m. September 22nd!
- 10:15 am** **Networking Break** – Please use the short updates that you have heard and start talking to your colleagues about new collaborations within our program.
- 10:45 am** **Kiamichi Watershed** – Alicia Knoedler and Renee McPherson, Facilitators
This discussion will be to identify 2-3 truly interdisciplinary research questions that take advantage of past, current, and future (desired) research in our Kiamichi watershed intensive study area. The discussion will be based on a survey that Bea Frank took and framed in terms of future proposal submissions and teams.
- 12 noon** **Networking Lunch** – Please also continue your discussions initiated during the morning Break
- 12:45 pm** **Poster Session** – All
Spend some dedicated time learning about what your colleagues do by visiting their posters or when they visit yours. Stretch those legs after lunch!
- 1:30 pm** **Other Watersheds** – Alicia Knoedler, Facilitator
Now that we've gone through a detailed example of one of our intensive study areas, we are going to talk briefly about Oklahoma City and Ft. Cobb. How do we want to approach these discussions? What are relevant research questions and who is interested in joining that team/discussion?
- 2:30 pm** **RSV Overview and EAB Report** – Jim Wicksted
Jim will overview our NSF Reverse Site Visit and main points from the External Advisory Board's report.
- 3:00 pm** **Break**
- 3:15 pm** **Update on the Student and Post-doc Mentoring Plan** – Bea Frank and Beth Caniglia
- 3:30 pm** **Communications and Team Building** – Alicia Knoedler and Jim Wicksted
Addressing issues raised by the External Advisory Board
- 3:45 pm** **Discussion for Students, Post-Docs, and Early-Career Faculty** – Bea Frank and Beth Caniglia
This discussion will focus on how to operationalize the Student and Post-doc Mentoring Plan. We ask those who are not involved in this discussion to exit to the poster session area quickly for continued networking discussions so that these young leaders will not be disturbed.
- 3:45 pm** **Poster Session** – Refreshments and light snacks will be available during this networking opportunity.
- 4:45 pm** **Adjourn**
