

Oklahoma Educators Evolve Spring 2017

FREE

professional development for Oklahoma teachers
any subject, any grade

January 21 Teacher Conference

University of Oklahoma Forum, Norman

Share a creative presentation of your favorite evolution lessons & compete for a set of fossil casts for your school!

February 11 Science Mystery Trip

Robbers Cave State Park, Wilburton

Bundle up for a winter naturalist hike through one of our state's beautiful parks. Take on a new role for our science-themed murder mystery dinner!

March 5 Fossil Collecting Fieldtrip

Whitemound Site, Sulphur

Join us for a relaxed outing to Whitemound, one of the best fossil sites in the state. Keep everything you find!

March 18 Panhandle Expedition

Black Mesa State Park, Kenton

Explore gorgeous Black Mesa and look for dinosaur fossils with Oklahoma paleontologists!

March 25 Southern OK Fossils Workshop

University of Oklahoma Biostation, Madill

Collect with us near Lake Texoma and bring Cretaceous fossils back to your classroom!
